RE: John P. Dunn - 2D Innovations  
**Letter of Recommendation**

To Whom It May Concern:

This letter serves as recommendation for John P. Dunn and his consulting firm 2D Innovations.

Mr. Dunn and his company, 2D Innovations have provided our construction team with LEED consulting services on several design-build projects. John's knowledge and experience is a great asset and value to our projects. 2D Innovations was able to reduce our workload by having an organized plan and process in place that managed the flow of LEED submittals and documentation.

The 2D Innovation's team has changed the way we approach projects that require a LEED certification. We think of 2D Innovations as part of our team and we look forward to many other successful projects with them.

Respectfully,  
**Z CORP Design-Build**

Kenneth Piche', DBIA  
Vice President
